

Double Oak Police Department House Watch Form

Purpose of House Watch:

- To provide the police department with the vital information to contact you should something happen to your property while you are away.
- Notify the Police Department that no one should be at your residence.
- Safety and security of your property.

What will happen when I notify the Police of a house watch?

- The officers will make daily inspection of the outside of your property. Making sure that no windows are broken and doors are not open or unlocked.
- Anyone at your residence and seen by the officers will be identified and if not authorized the officers will take appropriate action as necessary.

***** NOTICE*****

By filling out this house watch form you should realize that the Double Oak Police Department can not and will not be responsible for any damage or theft to your property while you are away.
